Geba Bluetooth® Blind Timer-App
For Android und iOS

Rollotimer Astro Bluetooth®

Smart control thanks to the new geba Blind Timer-app. Simply configure opening and closing times or activate the comfortable astro-function. Sunrise and sunset are automatically determined and opening and closing times can be individually adjusted ± 120 minutes according to your needs. Once the configuration is completed, it can easily be transferred to other timers. Move your blinds to the desired position using the slider. Add frequently used timers to the list of favourites and assign an individual name to each one. It can be taught up to four users.
